“ He use to tell me how he couldn't concentrate because of all the whiskey he always drank then some years later he became a Christian and was always preaching to me. I was so proud of him for finding Jesus as he would put it. Wish I would of followed his ways sooner. He's where he wants to be now. Ill never forget my best friend.

“ my bro. we suffered through a lot of hard times growing up in eagle butte on the dark side. He was someone that when you came across him you could always expect him to be happy and would immediately boost the mood of the gang. always down to talk smack and not get mad and could hoop too! just speaking from the heart here and not trying to gather my thoughts. Your free bro! and i know your spirit was good and is going to the light. I know chris will look back on us and when he does he will see us smiling and living our fullest lives , never forgetting those that are no longer with us - rock mo

“ Janell (and Jacob), I was so heartbroken to hear about your dad. He was so much a part of our family these past 10 or so years. He was a craftsman in his landscaping and carpentry projects and took such pride in his work. We will miss his laughter, his smile and his loyalty. He was a friend to all and we will miss him greatly.

“ Chris will be greatly missed by my family. He has been in our family for many years, as my son's hunka brother and my hunka son. He was going to help me with my twins' graduation with his songs . Prayers for his family and friends. My heart broke when I got the news.
